About Alliance Data

Alliance Data® (NYSE: ADS) is a leading global provider of data-driven marketing and loyalty solutions serving large, consumer-based industries. The Company creates and deploys customized solutions, enhancing the critical customer marketing experience; the result is measurably changing consumer behavior while driving business growth and profitability for some of today's most recognizable brands. Alliance Data helps its clients create and increase customer loyalty through solutions that engage millions of customers each day across multiple touch points using traditional, digital, mobile and emerging technologies. An S&P 500 and Fortune 500 company headquartered in Plano, Texas, Alliance Data consists of three businesses that together employ more than 17,000 associates at approximately 100 locations worldwide.

Alliance Data's card services business is a leading provider of marketing-driven branded credit card programs. Epsilon® is a leading provider of multichannel, data-driven technologies and marketing services, and also includes Conversant®, a leader in personalized digital marketing. LoyaltyOne® owns and operates the AIR MILES® Reward Program, Canada's premier coalition loyalty program, and Netherlands-based BrandLoyalty, a global provider of tailor-made loyalty programs for grocers.
